Additional Scholarship Opportunities

PittFund$Me is the central location to apply for all University scholarship opportunities. On the PittFund$Me Student Dashboard, scholarship opportunities that you qualify for outside of PittPharmacy are presented. In order to be accurately matched for all other available scholarships, click on the “Questions” link along the left side of the page.

The “Questions” link will direct you to questions to match you to additional non-PittPharmacy scholarships. The first 40-50 questions are for central University scholarships. The remaining questions are for external scholarship opportunities. PittPharmacy is not involved with awarding any of these additional scholarships. Application windows for non-PittPharmacy scholarships will vary. You are encouraged to frequently check PittFunds$Me for additional scholarship opportunities.
